### PLEASE CONSIDER DONATING SEATS

A significant tradition of the World Citizen Dinner is the Corporate Scholarship Program. Generous table sponsors donate two or more seats to the Council for special guests. As we remain leaders in international education and engaged citizenry in the Queen City, we ask that you consider making these seats available to WACC Council Scholars and students. Since 1990, over 750 educators and students have attended the dinners under this program. Council Scholars are selected Charlotte-area educators who have shown outstanding commitment to promoting international education in their schools, education communities, and the greater Charlotte region.

Table ambassadors, diplomats, patrons, and sponsors are encouraged to consider this option. Generosity from corporations and individuals such as you allow our Council Scholars and students to participate in this *once-in-a-lifetime experience*. Additionally, table hosts will also enjoy the company of guests who are honored and pleased to have the opportunity to attend.
